Exhibit runs through June 30, 2007

ABOUT THE EXHIBIT

The exhibit is held in conjunction with ICR's international conference, **Crossroads II: Community-Based Collaborative Research for Social Justice**, June 7–9. The conference addresses the promise and challenges of linking research and community for the purpose of alleviating health and social inequities and transforming communities in positive ways. This exhibit explores the interface of artistic expression, structured inquiry, and social justice issues at the individual, community, and societal levels.

Cover art (center panel) by Camille Eskell, *Resurrection*; (left panel top to bottom) by Jack Lardis, *Forget-Me-Not*; Ron Casanova, *Awareness*; and Sharokin Betgevgariz, *Sleeva Ghatokh o' Sepa Ghattee: Our Smallest Ally*.
